WEDDING PIANIST

## Price List for a Ceremony at 2pm

1 hour – £195

**1.30PM ARRIVAL OF YOUR GUESTS.**

---

Piano music before the wedding ceremony creates a relaxing atmosphere as your guests arrive. This can be played in the foyer or beside the bar.

**2PM THE WEDDING CEREMONY.**

---

As the bride walks down the aisle I can play your favourite piece of music including a hymn if required. Then I can play a modern piece of music as you sign the register, this usually last four or five minutes. Then finally an upbeat song as you walk down the aisle .

2 hours – £295

**2.30PM TO 3.30PM CHAMPAGNE/DRINKS RECEPTION - PART 1.**

---

As you both are out having your photographs taken I can entertain your guests. I will find a spot at the side of the room making sure I am not too noisy but loud enough so that I can be heard. At around 3.30pm guests will normally ask for requests. I can do this making sure fun is had until your arrival back into the room.

3 hours – £395

**3.30PM TO 4.30PM DRINKS RECEPTION - PART 2.**

Full day (5 hours) – £495

**4.30PM TO 6.30PM DINNER**

---

After the speeches I can continue to play in the background. As the wine continues to flow towards the end of the dinner guests may even start to sing along with me!
